

New Student Technology Guide

Welcome to Katy ISD Getting Started with Technology

ID/Username and Password

Your campus will provide you with a verification code. You will go to <http://www.katyisd.org> and click on Password Self-Service at the top.

Click "Enter Verification Code" and enter your ID# and code. Complete steps can be found at: <https://tinyurl.com/kisdverification>

Once you have your ID and password, this will be used to log in to school computers and to sign in to nearly every application you will use as a student.

MyKaty Cloud

The best place to start is <http://mykaty.katyisd.org> This is called MyKaty Cloud and once you are signed in, you will see tabs at the bottom that lead you to applications, the library, textbooks and many other resources to help you in school.

It's important on mobile devices to install the app and on computers to enable web pass. Instructions here: <http://www.katyisd.org/mykaty/Pages/default.aspx>

Home Access Center

Home
Access
C E N T E R

The Home Access Center (HAC) is where you can check grades, attendance and more. Your parents can also have an account using the campus provided parent username and password. More information about using the HAC is

here: <http://www.katyisd.org/pages/home-access-center.aspx>

Canvas

canvas
STUDENT

Your teachers have online courses for you to see your assignments and upcoming lessons and also submit homework and have discussions. You can also contact your teacher through your Canvas Inbox.

Access Canvas through MyKaty or install the Canvas Student app.

Once you sign into Canvas, you can learn more by going to this course: <https://katyisd.instructure.com/courses/100918>
