Credit by examination without prior instruction provides an alternative procedure for grade/class placement(s). Students may receive one unit of credit for a course in grades 9-12 per subject per academic year if the District's requirements are met. See EHDC (Regulation)* for details. Students must earn an **80% or higher** and the score shall be recorded on the transcript. Students are not allowed to retest for a higher score once an **80% or higher** is earned. No weighted credit can be earned through CBE.

COST FOR TAKING CREDIT BY EXAMINATION TESTS

- There is no charge to students for the first administration of a criterion-referenced test covered by this application.

My child, _____, has permission to take the credit by examination test and if appropriate scores are met, will be given credit for completion of the grade level/course tested and will be placed in the next succeeding grade level/course, as applicable. I also attest my child has had no prior instruction for this test.
