

Junior Conference Notes

www.applytexas.org

Opens July 1st. You are responsible for sending all transcripts via the registrar to the schools you apply to through Apply Texas. Letters of recommendation will be send electronically to Texas and Texas A&M via the student portal you create on each of these schools' websites. For all other schools I will need an addressed, stamped envelope for me to mail them.

www.commonapp.org

Opens up August 1st. You must invite me to be your counselor. This is done after you choose the schools you want to apply to and see the FERPA/Recommender tab on the left hand side. After you have plugged my email in as your counselor, please send me an email to make sure I received your invite. All transcripts to these schools are sent by me through this app. I will be sending recommendations through this app as well.

www.collegeboard.org

Site for SAT information and registration. You must send your scores to the colleges and universities you are applying to from this site. If you choose the schools to send to before you take the test, it is free. If you do it after, it will cost per school.

www.actstudent.org

Site for ACT registration and information. Same as above

www.ncaa.org

Information regarding Division I and II sports, eligibility, how to register with the NCAA, etc. If you are pursuing a DI or DII scholarship, you must be registered on this website, send your test scores to here, and upload your transcripts.

www.fafsa.ed.gov
